

Our Joliet Franciscan Banners are Flying!

As part of Joliet's "Welcome to Joliet" effort, businesses and organizations throughout the Joliet area are participating by sponsoring banners in the downtown area. These banners will be up from Memorial Day until Thanksgiving.

We have two banners whose locations were chosen based on pedestrian traffic in the area. The first banner is located in front of First Midwest Bank at 150 W. Jefferson. The second banner hangs in front of the Public Library on Clinton between Ottawa and Chicago Streets.

If you're in downtown Joliet, remember to keep your head up and look for our banners!
