

Sisters' History on Exhibit at the Joliet Area Historical Museum

As part of the 145th anniversary of our Congregation's founding, the Sisters of St. Francis of Mary Immaculate have an exhibit - "145 Years: Serving God, Serving Community" - at the Joliet Area Historical Museum. From Sunday, June 6, 2010 until October 10, 2010, the exhibit features both widely known and little known facts pulled from the rich history of the Joliet Franciscans. The exhibit is housed in the Special Exhibition Gallery of the Museum located at 204 Ottawa Street in Joliet. We are grateful to Great Lake Advisors, Inc. for their sponsorship of our exhibit. Below are a couple of pictures taken at the Museum.
