

The United States is faced with many challenges. We have economic issues, home foreclosures, job losses, and healthcare concerns, a war winding down in Iraq, and one continuing in Afghanistan, just to name a few of our challenges. We are also faced with upcoming mid-term elections and choices to be made regarding those who lead and represent us. Perhaps, this is the right time to say a prayer for our country.

Prayer for Our Country

Almighty God, bless our nation and make it true to the ideas of freedom and justice and brotherhood for all who make it great.

Guard us from war, from fire and wind, from compromise, fear, and confusion.

Be close to our president and our state representatives; give them vision and courage, as they ponder decisions affecting peace and the future of the world.

Make me more deeply aware of my heritage; realizing not only my rights but also my duties and responsibilities as a citizen.

Make this great land and all its people know clearly Your will, that they may fulfill the destiny ordained for us in the salvation of the nations, and the restoring of all things in Christ.

Amen.
