

Sisters of St. Francis of Mary Immaculate

As the sunshine of the warmest day in September revealed the **grandeur of God's creation in all of its splendor**, our Sister, Grace Brouch, completed her long-awaited transitus from this life to eternal life. Enfolded in the Light, Love and Peace of Christ, her passing on Friday afternoon, September 22, 2017, gave visible witness to the **Epistle of the day as well as the project of her life: "Pursue righteousness, devotion, faith, love, patience, and gentleness. Fight the good fight of the faith and take hold of the eternal life to which you were called"** (1 Tim 6:12). As dreamer, sister, teacher, healer, missionary and companion on the journey of Franciscan life, Gracie "did what was hers to do" and encouraged those whom she loved to do the same.

On January 25, 1931, Louise (Brummel) and John Brouch lovingly welcomed their infant daughter into the world. The second of five children, Jean was baptized and raised in a faith filled family that shared in the life of Annunciation Parish in Aurora, Illinois. Educated by the Sisters of St. Francis of Mary Immaculate who staffed the parish school, Jean was inspired by their witness to religious life and the Joliet Franciscan charism. However, the nurses at St. Joseph Mercy Hospital captured her imagination as healer and caregiver when, as a young teenager working at the hospital, she witnessed their gentleness and compassion. As Jean concluded her first year of study at Madonna High school with the School Sisters of St. Francis, her desire to become a sister was deepened and intensified. World War II had come to an end and with the support of her family, she became an aspirant at St. Francis Prep in the Fall of 1945. The following year she entered the Postulancy of the Joliet Franciscans.

On August 12, 1947, Jean was received into the novitiate and given the religious name, Sister Mary Grace, a name that suited her well. Two years later, she made her profession of vows. Soon thereafter, she was missioned to teach in the primary grades at Sacred Heart Englewood for two years and then for another four years at Sacred Heart Hubbard Woods. During this time she also completed a Bachelor of Science degree at the College of St. Francis. In 1957, at the invitation of Mother Borromeo, Sister Grace returned to Joliet. Her abiding dream and desire to become a registered nurse was affirmed and soon she began formal studies at St. Joseph School of Nursing with an area of specialization in Psychiatric Nursing. In the years that followed, Sister Grace cared for Sisters in the Motherhouse infirmary and was among the first Sisters to join the staff of Our Lady of Angels when it first opened in January of 1961.

Sister Grace loved the sisters and she loved her ministry. However, in 1972, a new and unexpected call was presented to her by Sister Francine Zeller. A nurse was desperately needed for the **Congregation's Brazilian mission in Santa Helena de Goiás. Trusting in God's grace, she responded generously: "Sim, Senhor! Yes, my Lord!" Within a year's time, she arrived in Brazil, began to**

Alleluia!

Sister M. Grace Brouch, OSF

study Portuguese in Rio de Janeiro, and soon found herself in Santa Helena as well as the surrounding towns of Maurilandia and Castelandia. For the next seventeen years, Sister Grace ministered in diverse capacities in the Diocese of Jataí as well as the Congregation - as nurse, teacher, mentor to young nurses, pastoral **minister, director of a children's day care center, administrator of a residential home for sick and disabled elders, and a member of the Regional Council.** But for Grace, the Gospel life was about more than ministry. It also was about fidelity to prayer and life in community to which she devoted herself joyfully and wholeheartedly.

In 1990, a new and challenging ministerial opportunity called forth from Grace a renewed passion and concern for the well-being and health care of children, especially those on the margins of society. With a zealous missionary spirit that would make Mother Alfred proud, she assumed a new leadership role in the Archdiocese of Goiânia as the Director of Pastoral Outreach to Children in local municipalities and elsewhere in the state of Goiás. As the years went on, Grace moved into other ministries and communities of faith where she continued to inspire countless people, young and old, religious and lay, privileged and poor, with her gentle Franciscan spirit. When she departed from Brazil in June of 2013, after forty years of dedicated missionary service, Sister Grace, like Saint Francis of Assisi, chose to return to Our Lady of Angels, surrounded by the Sisters and companions with whom she began her Joliet Franciscan journey seventy-two years earlier.

Always a lover of puzzles, the final pieces of the puzzle that was **Sister Grace's life began to come together during the months of August and September.** Throughout this time, loving, treasured and final visits from Brazilian Sisters, family members, classmates, sisters, associates, friends and caregivers, helped her to bring to completion her wonder-filled puzzle of eighty-six years of life. If we listen carefully to echoes from Eternity, we just may be able hear **the clapping of Gracie's hands and her gleeful voice proclaiming: "Muito bem, I finished it!" And so let us join our voices to those of Heaven, as we say with loving and grateful hearts: Alleluia! Alleluia!**

Sister M. Grace Brouch, OSF

January 25, 1931— September 22, 2017

Born: January 25, 1931
Parents: John E. Brouch and Louise B. (Brummel) Brouch
